

Julie Ann Edwards – Profile

I joined the Central Team at Manor Hall Academy Trust in January 2023. I was attracted to this new position, as I felt that this role would be both interesting and challenging and felt that I could add value to the Trust with my relevant knowledge, skills and experience. I have worked in various HR roles in the public sector for over 15 years, most recently at Staffordshire Fire and Rescue Service and the National Fire Chiefs Council and a number of years previously in the Education sector, supporting both schools and sixth form college in Staffordshire and Stoke on Trent. I am looking forward to working with and supporting you all and hope to meet many of you during the course of the next few months. Outside of work I am actively involved in my local community, supporting a number of community activities and I am a member of my local branch of the WI, which I have found very rewarding.
