

Christina Pearson - Director Profile

Christina has worked nearly 37 years for Dept. of Work and Pensions, with almost 30 years of managerial experience.

Christina has strong proven leadership and communication skills and has a proven track record in working with poor performing teams and transforming them into high performance teams. She has a good track record for high staff engagement recently increasing the office engagement score by 38 points - 2nd highest increases in the country.

Christina has excellent HR knowledge working for an exemplar employer and a sound working knowledge of health and safety. Whilst she does not directly manage a budget she has to ensure that staff resources are used effectively using minimum resource to deliver maximum results.

Christina is passionate about personal development and aspires for both pupils and staff to have the opportunity to achieve their potential.

Christina has been a governor for over 10 years and has contributed effectively as a critical friend to two head teachers. Christina has had previous experience of a period of office as chair of governors, guiding a special school through to an outstanding Ofsted inspection judgement.
