

Geoff Gamble - Member Profile

Geoff has been a special school teacher for over 30 years working with all age SEND children and young people and retired in 2007. He has extensive experience of residential school education and has previously been used by the LA as an exemplar of good practice within special school settings, in terms of teaching and learning.

Geoff has great passion for teaching and learning but in particular literacy and the creative curriculum.

Geoff understands the needs, motivations and difficulties of our children and advocates on their behalf.

Geoff is Chair of the local Arts Group and secretary to the village hall committee.

Geoff has had over three years of experience in governance having previously chaired the Teaching and Learning and Curriculum committee.
