

Mr Callum Challinor

Finance Support Officer

I joined Manor Hall Academy Trust central team in September 2020. I came from an Education Support Service provider, offering School Finance Support to Schools & Academies across Staffordshire, Cumbria and the London Borough of Barnet; working with a variety of accounting & budgeting systems. Within my role at MHAT, my main responsibilities are ensuring timely processing of transactions, BACS processing, training new starters & recently converted academies on systems & software, purchase ledger management, accounts receivable, assisting with budget setting and monitoring.

Outside of the office, I enjoy catching up with friends and family over good food, city breaks and pottering around in the garden.
