

Rachel Rushton

Trust Leadership Support Officer

I joined the Manor Hall Academy Trust as a Trust Leadership Support Officer within the Central Team in January 2022. I have a well established Service and Supplier Management background within the Financial Services Sector. I also have training management and recruitment experience too. I am very much looking forward to working with you all and our MHAT schools.

Outside of work, I enjoy walking, cooking, spending time with family and friends and holidays.
