

Sara Johnson

Trust Finance Manager

I joined the Trust in 2016 as a finance assistant when there were just 2 schools. During this time, I have worked with and supported new schools, adapted processes and procedures and helped to formulate the central services function. My main day to day role includes overseeing the financial functions of the Trust. These include supporting existing schools and new schools joining the Trust; with functions such as budgeting, maximizing income, expenditure, payroll and reporting to ensure best value and financial compliance. As the Trust has grown I have progressed to Trust Finance Manager where we now have a team of 4 Finance Support Officers, who support each school in their day-to day finance functions.

Outside of work, I enjoy going for long walks with my dogs.
