The Directors of the Trust wish to appoint a dynamic, innovative, self-motivated and enthusiastic Teacher to join the team of **Adelaide School, Crewe**. Adelaide School is a school for pupils with Social, Emotional and Mental Health difficulties. We currently have 85 pupils on roll aged between 9 and 18. Our aim is to enable pupils to have a positive experience of education and equip them for their future.

Our values are: commitment, collaboration and care. This underpins our vision: 'To help pupils help themselves'.

We work hard to ensure that all pupils with whom we work feel valued and respected. We provide the support they need to learn and prepare to be active British citizens who contribute to society. Many of our parents describe Adelaide as a 'family' as the school has a strong sense of community.

The ideal candidate will be dynamic and flexible and have the experience and ability to motivate pupils to achieve their maximum potential in Food Technology. There will be occasions when staff will be required to transport pupils, therefore the candidate should have their own vehicle, for which they will be paid occasional car user mileage.

In return we can offer you a very supportive and dedicated team; excellent working conditions; entry to an occupational pension scheme and commitment to professional development.
