Required for September 5 2022, this is a rare opportunity to join us on our pursuit to become an 'outstanding' Alternative Provision Academy and centre of excellence for inclusive education and be part of the support within the Cannock Chase District and South Staffordshire District. This is an exciting time to join the Chaselea family as we continue our new journey with a new Headteacher and having joined the Manor Hall Academy Trust.

Chaselea strives to provide an “outstanding” educational experience, delivering GCSE and Vocational courses at KS4, and an innovative core subject and topic based curriculum at KS3. Staff are encouraged to develop skills outside their specialism and to contribute you the combined efforts of the small, committed team that are held in high regard by our pupils and the community. To do this we need a supportive, hard-working, caring and passionate team made up of outstanding teachers and empathetic support staff.

We are looking to appoint an enthusiastic and dedicated member of staff as a Secondary Outreach Worker, based and line managed at Chaselea whilst working within the Cannock Chase District's secondary schools (Cannock Chase High, Kingsmead, SUA, Hart, Norton and also Cardinal Griffin). The position will be focussed on young learners who, for various reasons, are struggling to access mainstream education. The work will follow the ethos of Chaselea and the successful candidate will spend a period of time learning from our specialists in our centre before engaging in the outreach work in the District.

Experience of working with challenging behaviour in a secondary school setting will be essential as well as the ability to coach and train staff in positive behavioural principles. The ability to communicate effectively with various stakeholders is also an essential part of the job.
