The Directors of the Trust wish to appoint a dynamic, innovative, self-motivated and enthusiastic Teacher to join the team of Finch Woods Academy, Halewood. This is an exciting opportunity to join and shape our new Key Stage 2 provision with a maximum of 12 pupils. Our aim is to enable pupils to have a positive experience of education and equip them for their future.

We work hard to ensure that all pupils with whom we work feel valued and respected. We provide the support they need to learn and prepare to be active British citizens who contribute to society.

The ideal candidate will be dynamic and flexible and have the experience and ability to motivate pupils and teach across the full range of primary subjects. Support for specialist subjects such as Science will be provided. The ability to deliver Key Stage 2 SATS and Phonics to pupils would be advantageous.

In return we can offer you a very supportive and dedicated team; excellent working conditions; entry to an occupational pension scheme and commitment to professional development.
